Riverside Health Foundation/Nancy B. Salan Memorial Scholarship

This scholarship has been established in Nancy Salan's name to help ease the financial burden of nursing school. This scholarship is open to Wisconsin residents enrolled in a nursing program. Scholarships are available in the following categories: students seeking RN, RN seeking BSN, BSN-RN seeking MSN. This scholarship is aimed at non-traditional students as well as recent high school graduates.

The Riverside Health Foundation is committed to promoting better health awareness and to providing facilities for advanced medical technology for the citizens of Wisconsin's rural areas. Nancy B. Salan was an active member of

the Riverside Health Foundation and a tremendous supporter of the medical community in the Waupaca, Wisconsin area. Her love of nursing was the fuel to all of her efforts and vision which has made the Waupaca area's medical community one of the most outstanding in the state.

Friends of the Riverside Health Foundation play a vital role through their tax-deductible contributions toward scholarships and other community health care needs. Further information about the Riverside Health Foundation and the Nancy B. Salan Scholarship are available through the Foundation.
